In the Matter of § AGREED ORDER  
Registered Nurse License Number 932099 §  
issued to TEWABECH ALEMAYEHU §  
AYCHILUHEM §

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of TEWABECH ALEMAYEHU AYCHILUHEM, Registered Nurse License Number 932099, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13)(effective through 8/31/2021), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 2, 2021.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received a Baccalaureate Degree in Nursing from The University of Sacred Heart, San Juan, Puerto Rico, on June 1, 2017. Respondent was licensed to practice professional nursing in the State of Texas on October 6, 2017.

5. Respondent's nursing employment history includes:

10/2017 – Present                      RN                      Austin State Hospital  
Austin, Texas

6. At the time of the incident, Respondent was employed as a Registered Nurse with Austin State Hospital, Austin, Texas, and had been in that position for three (3) years and six (6) months.
7. On or about April 24, 2021, while employed as a Registered Nurse with Austin State Hospital, Austin, Texas, Respondent failed to intervene for Patient KR when she witnessed another provider grab and drag the patient by his shirt. Respondent's conduct was likely to contribute to emotional, physical, and/or psychological harm to the patient and could have interfered or disrupted this patient's treatment.
8. In response to Finding of Fact Number Seven (7), Respondent explains that the provider whom grabbed and dragged the patient was not receptive to corrections and had become angry with her for previous issues. Respondent states she was eventually written-up and became fearful to act and felt helpless. Respondent relates that when the incident occurred, she was fearful of physically intervening as she was worried about the provider's reaction, and concerned that her intervention could make the provider angrier and cause the incident to escalate instead of deescalating it.
