Dear Ms. Prestridge:

Your Petition for Licensure Reinstatement and the supporting information related to your potential ineligibility for relicensure was considered by the Executive Director.

Pursuant to the Occupations Code §§301.257, 301.452, and 301.453, you have been found to be ineligible for reinstatement of licensure as a nurse in the State of Texas based upon the grounds discussed below. **This is a final determination of licensure reinstatement denial.**

Our records indicate the following:

- Pursuant to the Occupations Code §301.4521, on or about July 16, 2021, you completed a forensic psychological evaluation with a polygraph component performed by Troy Martinez, Psy.D. Dr. Martinez states that during the polygraph exam, you further disclosed you abused cocaine "last year" and that you stole more hydrocodone (Norco) than previously disclosed. Dr. Martinez determined you to be an unreliable informant with respect to substance abuse, given the repeated notices and opportunities to provide honest disclosures from the onset, and that you have continued to use illicit drugs within the past 2 years. Based on a totality of available information, Dr. Martinez is unable to provide favorable opinions with regard to your current fitness to practice nursing.

You are subject to denial of licensure for this conduct pursuant to the following subsections of the Occupations Code §301.452(b):

- §301.452(b)(9): "intemperate use of alcohol or drugs that the board determines endangers or could endanger a patient;"
- §301.452(b)(12): "lack of fitness to practice because of a mental or physical health condition that could result in injury to a patient or the public;"

The Board also requires petitioners to demonstrate their ability to consistently conform to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice; to possess good professional character; and to pose no threat to the health and safety of patients and the public. The Board has adopted a rule, located at 22 Tex. Admin. Code §213.27, that sets forth the factors

and disciplinary and eligibility policies and guidelines that must be used in evaluating good professional character in eligibility and disciplinary matters. Based upon the factors specified in §213.27, you have failed to provide sufficient evidence of good professional character required by §213.27.

The Board has also adopted a rule, located at 22 Tex. Admin. Code §213.29(d)(2), regarding "Substance Use Disorders and Abuse/Misuse of Alcohol or Drugs" related to fitness to practice, which states: "Individuals who have not been diagnosed, treated, or hospitalized for a substance use disorder, but have nonetheless exhibited behaviors raising concerns about the individual's ability to practice nursing with reasonable skill and safety due to the possession, misuse, or abuse of alcohol or drugs, prescribed or otherwise, including related criminal conduct, may be required to demonstrate sobriety and abstinence from drugs and alcohol for a minimum of twelve consecutive months, through verifiable and reliable evidence, in order to obtain or retain licensure. Verifiable and reliable evidence of sobriety and abstinence from drugs and alcohol may include evidence of the completion of inpatient, outpatient, or aftercare treatment, random drug screens, individual or group therapy, and/or support group attendance." You have failed to provide proof of sobriety in accordance with the requirements of 22 Tex. Admin. Code §213.29(d)(2).

Texas Occupations Code Chapter 301, as well as the Board's rules, 22 Tex. Admin. Code §213.27; §213.29-§213.33, and the Board's Disciplinary Sanction Policies are hereby incorporated by reference herein and may be located on the Board's website at www.bon.texas.gov.

You will not be allowed to petition for reinstatement until at least one (1) year from the date of this denial and until you have satisfied any conditions outlined in your order and any requirements required by law at the time of your application.

Due to this denial, you have the right to a public hearing before an Administrative Law Judge with the State Office of Administrative Hearings. Should you decide to appeal the decision to deny you licensure, please submit a written request for a public hearing, to the attention of Office of General Counsel, 333 Guadalupe, Suite 3-460, Austin, Texas, 78701. Your written request to appeal this decision must be received in our office within sixty (60) days of the date of this letter. Further, if this office receives information regarding additional criminal conduct or behavior that has not been previously disclosed to or discovered by this office, please be advised that evidence of such additional criminal conduct or behavior may be used against you during the public hearing in this matter to show that you lack the good professional character and other requirements for licensure.

Further, should the decision to deny your licensure be upheld by the State Office of Administrative Hearings, you will be entitled to judicial review by filing an action in the district court of Travis County, Texas. A petition for such an action must be filed not later than the 30th day after the date the licensing authority's decision is final and appealable.

If you have any questions, please contact Enforcement at (512) 305-6838.

Sincerely,

Katherine A. Thomas, MN, RN, FAAN
Executive Director
