AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LISA MARIE SHANNON, Vocational Nurse License Number 205308, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9),(10),(12)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 25, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Brightwood College, San Antonio, Texas, on June 29, 2006. Respondent was licensed to practice vocational nursing in the State of Texas on August 17, 2006.
5. Respondent's nursing employment history includes:

8/2006 – 11/2008	Licensed Vocational Nurse	Stonebrook Manor San Antonio, Texas
------------------	---------------------------	--

Respondent's nursing employment history continued:

12/2008-7/2009	Unknown	
8/2009-8/2010	Licensed Vocational Nurse	Sonterra Health & Rehabilitation San Antonio, Texas
8/2010-12/2011	Licensed Vocational Nurse	Heights on Huebner San Antonio, Texas
1/2012-Unknown	Agency Nurse	Nurses Etc. Staffing San Antonio, Texas
5/2012-3/2019	Licensed Vocational Nurse/ Executive Director	Brookdale Nacogdoches San Antonio, Texas
4/2019-10/2019	Unknown	
11/2019- Present	Licensed Vocational Nurse	Aveanna Home Health San Antonio, Texas

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse, and acting Executive Director with Brookdale Nacogdoches, San Antonio, Texas, and had been in that position for six (6) years and seven (7) months.
7. On or about December 30, 2018, while employed as a Licensed Vocational Nurse, and acting Executive Director with Brookdale Nacogdoches, San Antonio, Texas, Respondent signed out Lorazepam 1 mg from the medication dispensing system for Patient SD, but failed to document and/or accurately and completely document the administration of the medication in the patient's Medication Administration Record (MAR). Respondent's conduct was likely to injure the patient, in that subsequent care givers would rely on her documentation to further medicate the patient, which could result in an overdose. Additionally, Respondent's conduct placed the hospital in violation of Chapter 481 (Controlled Substances Act) of the Texas Health and Safety Code.
8. On or about March 15, 2019, while employed as a Licensed Vocational Nurse, and acting Executive Director with Brookdale Nacogdoches, San Antonio, Texas, Respondent lacked fitness to practice nursing in that she exhibited signs of impaired behavior while on duty, including, but not limited to: slurred speech, heavy eyes, and drinking wine from a wine bottle. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make

rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.

9. On or about March 15, 2019, while employed as a Licensed Vocational Nurse, and acting Executive Director with Brookdale Nacogdoches, San Antonio, Texas, Respondent engaged in the intemperate and/or unlawful use of Ethanol, Benzodiazepines, and Lorazepam in that she produced a specimen for a reasonable suspicion / for cause/ random drug screen that resulted positive for Ethanol, Benzodiazepines, and Lorazepam. The use of Ethanol, Benzodiazepines, and Lorazepam by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms, or changes in a patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing a patient in potential danger.

10. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the medication aide was busy with another resident when S.D. began exhibiting signs of anxiety. Respondent states that the medication aide gave her the keys to the med cart and she pulled Ativan from the cart and administered it to Patient S.D. Respondent states that she signed out the Ativan from the narcotic book but was not logged into the electronic MAR system; she states she notified the aide that the Ativan had been given, but acknowledges that she herself should have gone to the chart and documented it in the nurse's notes. In response to the incident in Finding of Fact Number Eight (8) and Finding of Fact Number Nine (9), Respondent states that she came in to work early in the morning to test a call bell in a resident's apartment, and she had only had three hours of sleep at that time. Respondent states that two days later, the director informed her that they received a report that she had appeared intoxicated. Respondent states that she was asked to take a drug screen for alcohol, and she reported that she had drinks with dinner the previous night. Respondent states that she had previously been prescribed Ativan, and had taken one five days before the drug test, though her prescription had expired. Respondent denies using alcohol or prescription medication while on duty at work, at any time. Respondent adds that she suspects the employee that reported her supposed intoxication was out for her job, and has since taken over her position.

11. Formal Charges were filed on October 3, 2019.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(D)&(1)(T), and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C),(1)(E),(4),(5),(10)(A),(10)(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(9),(10),(12)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 205308, heretofore issued to LISA MARIE SHANNON.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
