ORDER OF
CONDITIONAL ELIGIBILITY

On the date entered below, the Board of Nurse Examiners for the State of Texas hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by KALA ELIZABETH GOLSON, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on December 13, 2005, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about March 31, 2005, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.

3. Petitioner is planning to enroll in a Vocational Nursing Program at Howard College, San Angelo, Texas.

This includes expunged offenses and deferred adjudication with or without prejudice of guilt."*

5. Petitioner disclosed the following criminal history, to wit:

- A. On September 19, 1998, Petitioner was charged with the misdemeanor offense of Minor in Possession of Alcohol in the Municipal Court of San Angelo, Texas. 6. There is no evidence of any subsequent criminal conduct.

7. On July 19, 2005, Petitioner was seen by Raul G. Rodriguez, M.D., Board Certified in Addictionology, to undergo an evaluation. The results of the evaluation indicate that Petitioner is capable of fulfilling the minimum standards served by the nursing board in regards to qualification for licensure. It is also Dr. Rodriguez's impression that the history demonstrated by Petitioner since the age of nineteen (19) indicates he has been able to avoid behaviors that would be considered detrimental to self and/or to others. He also believes that Petitioner is functioning well from a psychological perspective. Petitioner has very well defined goals for her future and is aware of the implications of her previous behavior. Petitioner is not suffering from any psychiatric disorder and/or residual psychological impairment that may interfere with her education and fulfillment of her responsibilities as a vocational nurse.

8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.

9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.

10. Petitioner has sworn that her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good character.

11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
12. On December 13, 2005, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good character.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.

PETITIONER'S CERTIFICATION

I am the Petitioner in this matter. I have fully and truthfully disclosed all of my past criminal conduct, and I have caused a complete and accurate criminal history to be submitted to the Board of Nurse Examiners from each jurisdiction in which I have been adjudged guilty by way of conviction or deferred order. I certify that my past behavior, except as disclosed in my Petition for Declaratory Order, has been in conformity with the Board's professional character rule. I have provided the Board with complete and accurate documentation of my past behavior in violation of the penal law of any jurisdiction which was disposed of through any procedure short of conviction, such as: conditional discharge, deferred adjudication or dismissal. I have no criminal prosecution pending in any jurisdiction.

In connection with my petition, I acknowledge that I have read and I understand Section 301.257, Texas Occupations Code, Section 301.452(a), (b) and (c), Texas Occupations Code, and Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code, and Board Rules 213.27, 213.28, and 213.29 at 22 Texas Administrative Code. I agree with all terms of this Order, including the Findings of Fact and Conclusions of Law and any stipulations as set out in this Order. I acknowledge that this Order is stipulated and I understand that I am not eligible to receive a Graduate Vocational Nurse Permit to practice. I agree to inform the Board of any other fact or event that could constitute a ground for denial of licensure prior to registering for the NCLEX-PN® Examination or accepting any permit or license from the Board of Nurse Examiners.

I understand that if I fail to comply with all terms and conditions of this Order, I will be subject to investigation and disciplinary sanction, including revocation of my license to practice vocational nursing in the State of Texas, as a consequence of my noncompliance.

I understand that I can be represented by an attorney in this matter. I waive representation, notice, administrative hearing, and judicial review of this Order and request that the Executive Director of the Board of Nurse Examiners enter this Order.
