In the Matter of	§	AGREED
CEDRINA LACHELLE JOHNSON,	§	
PETITIONER for Eligibility for Licensure	§	ELIGIBILITY ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by CEDRINA LACHELLE JOHNSON, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that PETITIONER may be ineligible for licensure pursuant to Sections 301.452(b)(3),(10)&(12) and 301.453, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on August 2, 2016.

## FINDINGS OF FACT

1. On or about November 30, 2015, PETITIONER submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §213.30.
2. Petitioner waived representation by counsel, informal proceedings, notice and hearing, and consented to the entry of this Order.
3. Petitioner was not enrolled in a Professional Nursing Program at the time of this petition.
4. Petitioner completed the Petition for Declaratory Order and answered "Yes" to the question which reads as follows: "For any criminal offense, including those pending appeal, have you:
  - A. been convicted of a misdemeanor?

- B. *been convicted of a felony?*
  - C. *pled nolo contendere, no contest, or guilty?*
  - D. *received deferred adjudication?*
  - E. *been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?*
  - F. *been sentenced to serve jail or prison time? court-ordered confinement?*
  - G. *been granted pre-trial diversion?*
  - H. *been arrested or have any pending criminal charges?*
  - I. *been cited or charged with any violation of the law?*
  - J. *been subject of a court-martial; Article 15 violation; or received any form of military judgment/punishment/action?*
- (You may only exclude Class C misdemeanor traffic violations.)"*

5. Petitioner disclosed the following criminal history, to wit:

- A. On or about November 2, 2005, Petitioner was arrested by the Corpus Christi Police Department, Corpus Christi, Texas, and subsequently charged under Cause No. 05-9796-1 for CRIMINAL TRESPASS, a Class A misdemeanor offense committed on or about November 2, 2005. On or about February 21, 2006, Cause No. 05-9796-1 was dismissed in the County Court No. 1, Nueces County, Texas, for the reason: "complied with (PTD) pretrial diversion conditions."
- B. On or about June 7, 2010, Petitioner entered a plea of Guilty and was convicted of POSSESSION OF MARIJUANA, a Class B misdemeanor offense committed on February 10, 2008, in the County Court at Law No. 3, Nueces County, Texas, under Cause No. 2008-2223-3. As a result of the conviction, Petitioner was sentenced to confinement in the Nueces County Jail for a period of twenty (20) days, and ordered to pay court costs.
- C. On or about January 3, 2011, Petitioner entered a plea of Guilty to FORGERY-MONEY, a 3<sup>rd</sup> Degree felony offense committed on April 29, 2010, in the 214<sup>th</sup> District Court, Nueces County, Texas, under Cause No. 10 CR 3772 F. As a result of the plea, the proceedings against Petitioner were deferred without entering an adjudication of guilt and Petitioner was placed on probation for a period of two (2) years, and ordered to pay court costs. On or about December 20, 2012, Petitioner's probation was extended. On or about March 12, 2013, Petitioner was discharged from probation.

- D. On or about November 22, 2010, Petitioner entered a plea of Guilty to POSSESSION OF A CONTROLLED SUBSTANCE, a 3<sup>rd</sup> Degree felony offense committed on November 4, 2010, in the 329<sup>th</sup> District Court, Wharton County, Texas, under Cause No. 17611. As a result of the plea, the proceedings against Petitioner were deferred without entering an adjudication of guilt and Petitioner was placed on probation for a period of five (5) years, ordered to serve eighteen (18) days in the Wharton County Jail, and ordered to pay court costs. Petitioner was discharged early from probation on December 1, 2015.
6. In response to Finding of Fact Number Five (5), Sections C & D, Petitioner states that she bought the drinks with the money given to her from a cousin. The money was found to be counterfeit, so the police were called and Petitioner was detained for forgery, a 3<sup>rd</sup> degree felony. Also, in 2010, she and some friends were pulled over by the police and her vehicle was searched. Upon the search of her pocketbook the officer discovered a controlled substance to which she admitted she was the owner. She completed her probation early and satisfied all of its requirements earlier than necessary.
7. There is no evidence of any subsequent criminal conduct.
8. On June 20, 2016, Petitioner was seen by Troy Martinez, Psy.D, Licensed Psychologist, Corpus Christi, Texas, for a forensic evaluation. Dr. Martinez stated that the Psychological testing does reflect the problematic nature of Petitioner's prior drug abuse/dependence and because her complete abstinence is timed at about a 3 year period, Dr. Martinez recommends that Petitioner be referred to TPAPN as a safeguard monitoring system. It is Dr. Martinez's professional opinion that Petitioner does not require any intensive substance abuse treatment at this point. Dr. Martinez believes monitoring for as many as two years would still be an appropriate safeguard. Otherwise, there is no compelling evidence of mental health issues that would predict problems affecting her professional fitness. As such, presuming abstinence from drugs of abuse, it is his opinion Petitioner is a good candidate for work in the nursing field, without any high risk of danger to the community, any high likelihood engaging in criminal behavior again, and it is his opinion Petitioner is quite capable of conducting herself in accordance with Board Rules and nursing standards.
9. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
10. Petitioner has sworn that, with the exception of matters disclosed in connection with the Petition for Declaratory Order, her past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.
11. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

12. The Executive Director considered evidence of Petitioner's past criminal conduct in light of the considerations and criteria provided in 22 TEX. ADMIN. CODE §§213.28 & 213.33, and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
13. The Executive Director considered evidence of Petitioner's substance use disorder, and subsequent rehabilitation as provided in 22 TEX. ADMIN. CODE §213.29 and in accordance with 22 TEX. ADMIN. CODE §213.33.
14. Petitioner's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.
15. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.
16. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
17. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

#### CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Sections 301.452 and 301.453, Texas Occupations Code.
2. On or about November 30, 2015, PETITIONER submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for denial of a license under Section 301.452(b)(3),(10)&(12), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 TEX. ADMIN. CODE §213.28 and evaluating the direct relationship to nursing according to 22 TEX. ADMIN. CODE §213.28 and, if applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

6. The Board may license an individual who has a history of substance use disorder after consideration of the criteria set out in 22 TEX. ADMIN. CODE §213.29 if the Board determines the individual does not pose a direct threat to the health and safety of patients or the public.
7. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
8. The Board may, in its discretion, order a nurse to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
9. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).
