ORDER OF TEMPORARY SUSPENSION

TO: Calvin Hinton
C/O Alejandro Mora
Law Office of Alejandro Mora, PLLC
Plaza 70000
7000 N. Mopac Exp, 2nd Floor
Austin, Texas 78731

A public meeting of the Texas Board of Nursing was held on May 3, 2023 at 1801 Congress Avenue, Suite 10-200, Austin, Texas, in which the Temporary Suspension of Permanent Advanced Practice Registered Nurse License Number AP129980, and Permanent Registered Nurse License Number 1111080, issued to KALVIN HINTON was considered pursuant to Section 301.4551, TEXAS OCCUPATIONS CODE. Staff of the Texas Board of Nursing presented evidence and information concerning the conduct of KALVIN HINTON and whether his continued practice as a nurse would constitute a continuing and imminent threat to the public welfare.

After review and due consideration of the evidence and information presented, the Board finds that the following charges are substantiated:

On or about March 27, 2023, you became noncompliant with an Agreed Order issued to Respondent by the Texas Board of Nursing on August 2, 2022. Noncompliance is the result of his failure to abstain from the consumption of alcohol and controlled substances in that he produced a urine specimen for a random drug screen that resulted positive for Ethyl Glucuronide (EtG) and Ethyl Sulfate (EtS), which are metabolites of Alcohol (ethanol). Respondent failed to comply with Section VI, "DRUG AND ALCOHOL RELATED REQUIREMENTS," Part A, of the Agreed Order which states, in pertinent part:

"RESPONDENT SHALL abstain from the use of alcohol, nalbuphine, propofol and all controlled substances, except as prescribed by a licensed practitioner for a legitimate purpose.

The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(1)&(10), Texas Occupations Code, and is a violation of 22 TEX. ADMIN. CODE §217.12(5)&(11)(B).

The Texas Board of Nursing further finds that, given the nature of the charges concerning his fitness to practice, the continued practice of nursing by KALVIN HINTON constitutes a continuing and imminent threat to public welfare and that the temporary suspension of Permanent Advanced Practice Registered Nurse License Number AP129980, and Permanent Registered Nurse License Number 1111080, is justified pursuant to Section 301.4551, TEXAS OCCUPATIONS CODE.

NOW, THEREFORE, IT IS ORDERED that Permanent Advanced Practice Registered Nurse License Number AP129980, and Permanent Registered Nurse License Number 1111080, issued to KALVIN HINTON, to practice nursing in the State of Texas be, and the same is/are, hereby SUSPENDED IMMEDIATELY in accordance with Section 301.4551, TEXAS OCCUPATIONS CODE.

This Order SHALL be applicable to RESPONDENT'S nurse licensure compact privileges, if any, to practice nursing in the State of Texas. Further, RESPONDENT'S license(s) will be designated "single state" as applicable and RESPONDENT may not work outside the State of Texas in another nurse licensure compact party state using a Texas compact license.

IT IS FURTHER ORDERED that a probable cause hearing be conducted in accordance with Section 301.455(c) not later than seventeen (17) days following the date of the entry of this order, and a final hearing on the matter be conducted in accordance with 301.455(d) not later than the 61st day following the date of the entry of this order.

Entered this 3 day of May, 2023.

Dear Mr. Hinton:

We have reviewed and evaluated your Endorsement Application and the supporting information related to your eligibility for licensure under the Nursing Practice Act and the Board's Rules and Regulations Relating to Nurse Education, Licensure, and Practice.

As you will recall, on August 2, 2022, you were issued an Order by the Board affecting your licensure or eligibility for licensure. Our records indicate that you have not yet successfully completed the terms of that Order. Therefore, although you will be eligible to receive a professional nursing license, the remaining terms of your prior Order will be applied to the license issued to you by the Board. As a result, both your vocational and professional nursing licenses will be subject to the remaining requirements of the Order, a copy of which is attached hereto for your reference.

A new Order will not be issued to you. However, if your prior Order was not considered confidential, then this correspondence is public information, and the encumbrances from your prior Order that will be applied to your new license will be forwarded to the National Council of State Boards of Nursing, Inc., and the National Practitioner Data Bank (NPDB).

Please be aware that, pursuant to Section 301.4551, Texas Occupations Code, the Board shall temporarily suspend the license(s) of a nurse who is under a Board Order which prohibits the use of alcohol or drugs, or which requires participation in a peer assistance program, when the nurse tests positive for alcohol or a prohibited drug, refuses to comply with drug or alcohol testing requirements, or fails to participate in the peer assistance program.

Sincerely,

Katherine A. Thomas, MN, RN, FAAN
