BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Registered Nurse License Number 618190 §
& Vocational Nurse License Number 148523 §
issued to GWENDOLYN S. HARRIS §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of GWENDOLYN S. HARRIS, Registered Nurse License Number 618190, and Vocational Nurse License Number 148523, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on July 22, 2019.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in delinquent status. Respondent's license to practice as a professional nurse in the State of Texas is in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from McLennan Community College, Waco, Texas, on August 18, 1994. Respondent received an Associate Degree in Nursing from McLennan Community College, Waco, Texas, on May 1, 1995. Respondent was licensed to practice vocational nursing in the State of Texas on September 19, 1994. Respondent was licensed to practice professional nursing in the State of Texas on June 27, 1995.

5. Respondent's nursing employment history includes:

09/1994 – 10/14/1994	Unknown	
11/1994 – 09/2018	RN	Baylor Scott & White Hillcrest Waco, Texas
06/1995 – 2002	RN	Hillcrest Baptist Medical Center Waco, Texas
06/2002 – 12/2004	RN	Waco Gastroenterology Associates Waco, Texas
12/2004 – 04/2005	RN	Mid-Tex Gastroenterology Waco, Texas
11/2014 – 09/2018	RN (IV Access)	Baylor Scott & White Hillcrest Waco, Texas
10/2018 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Baylor Scott & White Medical Center Hillcrest, Waco, Texas and had been in that position for three (3) years and ten (10) months.
7. On or about June 16, 2002, Respondent was granted interim approval to practice as an Acute Care Adult Nurse Practitioner (ACANP) in the State of Texas, was authorized to practice as an ACANP in the State of Texas on August 2, 2002, and was granted prescriptive authority on October 10, 2002. Respondent's authorization to practice as an ACANP in that State of Texas expired on May 10, 2004, after she did not obtain national certification within two (2) years of completing her Acute Care Adult Nurse Practitioner Program.
8. On or about May 11, 2004, through December 17, 2004, Respondent was employed as an Acute Care Adult Nurse Practitioner at Waco Gastroenterology Associates, Waco, Texas. after her authorization to practice as an Advanced Practice Registered Nurse in the State of Texas expired. Respondent's conduct may have misled the public into believing the Respondent's nursing practice was in compliance with all Board Rules and Regulations.
9. On or about September 19, 2018, while employed as a Registered Nurse, at Baylor Scott and White Medical Center-Hillcrest, Respondent failed to confirm the patient's Medical Record Number with the physician when he ordered a peripherally inserted central catheter (PICC) line placement for the patient in Room 1520 and/or failed to question the need for a PICC line when the condition of Patient Medical Record Number 0463407 (Room 1520), did not evidence the emergency described by the physician. As a result, a coworker inserted

a PICC line on the wrong patient, when a PICC line was not medically necessary. Respondent's failure to confirm the correct patient placed the patient at risk of an unwarranted invasive procedure, pain/discomfort, inappropriate medical interventions, and other complications associated with IV lines.

10. On or about September 19, 2018, while employed as a Registered Nurse, at Baylor Scott and White Medical Center-Hillcrest, Respondent did not obtain a second witness for the consent of the PICC line insertion for Patient Medical Record Number 0463407, as required per hospital policy. Respondent's conduct failed to ensure an appropriate witness could verify that the patient understood the procedure, including all risks, and unnecessarily [could have] exposed the patient to risk of harm from a procedure about which the patient might not have been adequately informed.
11. On or about September 19, 2018, while employed as a Registered Nurse, at Baylor Scott and White Medical Center-Hillcrest, Respondent unintentionally, inaccurately documented an order for a PICC line to be inserted on Patient Medical Record Number 0463407(Room1520) that was meant for another patient because she did not confirm the patient's Medical Record Number. Respondent's failure to confirm the patient's Medical Record Number resulted in an incomplete medical record and could have injured the patient in that subsequent care givers would rely on her documentation in order to provide further patient care.
12. In regard to Finding of Fact Number Eight (8), Respondent states that she was unclear about the Board's requirements for authorization to continue working as an Advanced Practice Registered Nurse and in no way intended to run afoul of the Board's rules. In regard to Finding of Fact Number Nine (9), Respondent states she felt she did not need to clarify the order because it had been deemed "a medical emergency" by the physician. In regard to Finding of Fact Number Ten (10), Respondent admits that she did not obtain a second nurse as a witness for the telephone consent because there was no other nurse available at the time of the call. Respondent states she believed that she was acting in the patient's best interest since the physician had stated to her that it was a medical emergency. In regard to Finding of Fact Number Eleven (11), Respondent states she documented the telephone order for the PICC line insertion for the patient in room 1520, as stated by the physician, and that she read the order and room number back to him per protocol, which he confirmed.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11 (1)(A),(1)(B),(1)(D),(1)(N)and(1)(P) and 22 TEX. ADMIN. CODE §217.12 (1)(A),(1)(B),(1)(C) and (4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 618190, and Vocational Nurse License Number 148523, heretofore issued to GWENDOLYN S. HARRIS.
