BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED ORDER
Vocational Nurse License Number 336381	§	
issued to WILFRID PIERRE	§	
	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of WILFRID PIERRE, Vocational Nurse License Number 336381, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on December 3, 2020.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Center for Advanced Training and Studies, Orange, New Jersey, on March 1, 2009. Respondent was licensed to practice vocational nursing in the State of New Jersey on October 6, 2009, and was licensed to practice vocational nursing in the State of Texas on February 8, 2017.
5. Respondent's nursing employment history includes:

10/2009– 12/2015	Licensed Vocational Nurse	Runnells Specialized Hospital Berkley Heights, New Jersey
------------------	---------------------------	--

Respondent's nursing employment history continued:

2/2016-1/2019	Licensed Vocational Nurse	Legacy Living at Arlington Arlington, Texas
2/2019-8/2019	Licensed Vocational Nurse	James L. West Center for Dementia Care Fort Worth, Texas
9/2019-Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with James L. West Center for Dementia Care, Fort Worth, Texas, and had been in that position for five (5) months.
7. On or about July 10, 2019, while employed as a Licensed Vocational Nurse with James L. West Center for Dementia Care, Fort Worth, Texas, Respondent administered the oral antipsychotic medication, Haldol, to Resident R.S./Medical Record Number 10133 with no physician order for the medication. Respondent's conduct unnecessarily exposed the resident to risk of harm from administration of an antipsychotic medication without physician's orders.
8. On or about July 24, 2019, while employed as a Licensed Vocational Nurse with James L. West Center for Dementia Care, Fort Worth, Texas and working in the Veterans Unit, Respondent failed to completely and appropriately document an incident in which he was punched by Resident W.W./Medical Record Number 10137. Respondent failed to perform and/or document interventions for the resident's aggressive behavior, notify the physician, or document an incident report. Respondent's conduct resulted in an incomplete medical record and was likely to injure the resident in that subsequent care givers would not have accurate and complete information on which to base their care decisions.
9. On or about August 1, 2019, while employed as a Licensed Vocational Nurse with James L. West Center for Dementia Care, Fort Worth, Texas, Respondent documented inaccurate information in the medical record of Resident J.J./Medical Record Number 1141. Respondent documented in error an incident where the resident pushed another resident. Instead of correcting the error, Respondent documented an additional entry stating the incident report error was due to Respondent's poor concentration and sleepless nights. Respondent's conduct resulted in an inaccurate medical record.
10. On or about August 9, 2019, while employed as a Licensed Vocational Nurse with James L. West Center for Dementia Care, Fort Worth, Texas, Respondent documented a respiratory assessment in the medical record of Resident M.H./Medical Record Number stating that the resident was using his chest muscles to breathe and was gasping for air at 7pm; no interventions were performed. The resident was found around 8:45pm

unresponsive and was pronounced deceased. Respondent's conduct resulted in a delay in treatment for the resident that was needed to prevent further complications, and may have contributed to the resident's subsequent demise.

11. In response to the incident in Finding of Fact Number Seven (7), Respondent states that he has never administered a prescription medication to a resident in his care. In response to the incident in Finding of Fact Number Eight (8), Respondent states that he reported the incident in a timely manner and notified the physician. Respondent adds that he also made himself available for any subsequent follow up questioning. In response to the incident in Finding of Fact Number Nine (9), Respondent states that when he was instructed to correct the error, he added an entry that he believed his earlier report was accurate, but if it was considered incomplete it was due to interruptions in his regular sleep cycle imposed by the requirements of his job. In response to the incident in Finding of Fact Number Ten (10), Respondent states that he incorrectly documented that the resident was "gasping for air" when in reality the resident was merely "breathing deeply." Respondent states that he agrees that interventions would have been necessary and appropriate if the resident had indeed been gasping for air at 7pm, but that was not the case. Respondent states that he regrets the documentation error and understands how bad it makes him and the facility look.
12. Formal Charges were filed on November 4, 2020.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C),(1)(D),(1)(M)&(2)(A), and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 336381, heretofore issued to WILFRID PIERRE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
