BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED ORDER
Vocational Nurse License Number 213144 §
issued to SHAINA NICOLE LOPEZ §
§

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SHAINA NICOLE LOPEZ, Vocational Nurse License Number 213144, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(14)(effective 9/1/2021), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on August 29, 2023.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a vocational nurse in the State of Texas is in current status.
4. Respondent received a Certificate in Vocational Nursing from Concorde Career College, Grand Prairie, Texas, on October 1, 2007. Respondent was licensed to practice vocational nursing in the State of Texas on November 6, 2007.
5. Respondent's nursing employment history includes:

11/2007 – 9/2009	Unknown	
10/2009 – 10/2019	LVN	Care of Excellence Home Health Mansfield, Texas

Respondent's nursing employment history continued:

1/2019 – 10/2019	L.VN	Texas Rehabilitation Hospital of Arlington Arlington, Texas
10/2019 -- 7/2022	L.VN	Texas Rehabilitation Hospital of Fort Worth Fort Worth, Texas
8/2022 – 3/2023	L.VN	Texas Health Arlington Memorial Hospital Arlington, Texas
4/2023 – Present	Unknown	

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with Texas Health Arlington Memorial Hospital, Arlington, Texas, and had been in that position for six (6) months.
7. On or about February 16, 2023, while employed as a Licensed Vocational Nurse in the Emergency Department of Texas Health Arlington Memorial Hospital, Arlington, Texas, Respondent exceeded her scope of practice by administering IV Morphine 4mg to Patient Number 2000110085. Additionally, Respondent falsely documented in the medication administration record (MAR) that a Registered Nurse administered the Morphine to the patient. Respondent's conduct may have injured the patient in that she did not have the required competencies to safely and accurately administer an intravenous narcotic. Additionally, Respondent's conduct created an inaccurate medical record.
8. In response to Finding of Fact Number Seven (7). Respondent states the patient came in with extreme pain and the physician ordered labs and IV medications. Respondent states she started the IV, completed the labs, and paged the RN to ask if she could come and administer the IV morphine. Respondent states she pulled the morphine and had it at the bedside to help the RN and save her some time. Respondent states the patient continued to ask for pain medication and the RN still had not come to the bedside, so she went ahead and administered the morphine to the patient with no side effects or adverse reactions. Respondent states there is drop-down menu in the MAR where you can check that another employee administered this medication. Respondent states she used this option as it saves time and keeps the administering nurse from having to log her off and then log on. Respondent admits she should have amended the MAR to show that she had administered the medication, but claims the shift was busy and she felt rushed.
