Number AP140211 with Prescription §
Authorization Number 28931 §
& Registered Nurse License Number 829591 §
issued to AMY ELIZABETH JOHNSON §

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AMY ELIZABETH JOHNSON, Advanced Practice Registered Nurse License Number AP140211 with Prescription Authorization Number 28931, and Registered Nurse License Number 829591, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(14), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 12, 2023.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status. Respondent's license to practice as an advanced practice registered nurse in the State of Texas with authorization as a Family Nurse Practitioner is in current status with Prescription Authorization Number in current status.
4. Respondent received an Associate Degree in Nursing from Lone Star College CyFair, Cypress, Texas, on December 14, 2012. Respondent completed a Family Nurse Practitioner Program from the University of Texas at Arlington, Arlington, Texas, on December 1, 2018. Respondent was licensed to practice professional nursing in the State of Texas on

January 15, 2013. Respondent was licensed to practice advanced practice registered nursing in the State of Texas with authorization as a Family Nurse Practitioner on January 16, 2019. Respondent was licensed to practice advanced practice registered nursing in the State of Texas with authorization as a Family Nurse Practitioner with Prescription Authorization on January 16, 2019.

5. Respondent's nursing employment history includes:

1/2013 – 8/2014	RN	Baylor Scott & White Hospital Brenham, Texas

Furthermore, Respondent failed to properly indicate when and where the patient's last examination was completed or attach a summary of the patient's medical history. Respondent's conduct resulted in an inaccurate medical record and was likely to injure the patient in that subsequent care givers would not have complete information on which to base their care decisions.
8. In response to Finding of Fact Number Seven (7), Respondent states this was an oversight and that she accidentally checked the box, indicating she was a physician, while quickly filling out the form to get it back to Adult Protective Services as requested. Respondent relates she indicated her credentials as FNP-C after her printed name and signature on the form, as she always does with any document she signs professionally. Respondent states there was no intent to defraud or mislead anyone and she has taken steps to ensure this mistake does not happen again.
