

Respondent's nursing employment history continued:

10/2019 - Present Unknown

6. On or about December 10, 2019, Respondent was required to successfully complete the Texas Peer Assistance Program for Nurses (TPAPN) through an Order of the Board. A copy of the December 10, 2019, Order is attached and incorporated herein by reference as part of this Agreed Order.
7. On or about October 24, 2022, Respondent became noncompliant with the Agreed Order issued to him by the Texas Board of Nursing on December 10, 2019. Noncompliance is the result of Respondent's failure to comply with all requirements of the Texas Peer Assistance Program for Nurses (TPAPN) participation agreement, in that he failed to return to work to demonstrate safe nursing practice. Section (1)(D) of the Agreed Order dated December 10, 2019, which states, in pertinent part:

"(D) RESPONDENT SHALL comply with all the TPAPN participation agreement during it's term...."

On October 24, 2022, Respondent's case was closed and referred back to the Board.

8. Respondent states he became non-compliant with the agreed order issued by the Texas Board of Nursing due to the inability to find placement in the workforce as a practicing RN. This is not due to a lack of looking, applying and interviewing for multiple positions. He states that he has applied for multiple jobs and had only been able to interview for a hand full of them. Respondent explains that the last 3 years should be a testament to show he has bettered himself. Respondent states he has a passion for nursing and bettering the life of patients and their families which is why he has chosen not to give up.
