BEFORE THE TEXAS BOARD OF NURSING

In the Matter of
Registered Nurse License Number 869307
issued to FLORENTINE ALEXANDRINE

AGREED ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of FLORENTINE ALEXANDRINE MBAH BIKIE, Registered Nurse License Number 869307, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10), Texas Occupations Code.

Respondent waived notice and hearing and agreed to the entry of this Agreed Order approved by Kristin K. Benton, DNP, RN, Executive Director, on October 5, 2023.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and agreed to the entry of this Agreed Order.
3. Respondent's license to practice as a professional nurse in the State of Texas is in current status.
4. Respondent received an Associate Degree in Nursing from Univ of D C-Van Ness Campus, Washington, District Of Columbia, on May 1, 2013. Respondent was licensed to practice professional nursing in the State of Texas on December 23, 2014.
5. Respondent's nursing employment history is unknown.
6. On or about August 31, 2021, while employed as a Registered Nurse with Host Healthcare, Inc., San Diego, California, and seeking employment through Cross Country Healthcare, Boca Raton, Florida. Respondent submitted a falsified Physician's Statement in that she

changed the year from "2020" to "2021". Medical Records indicate that Respondent was evaluated by her physician in 2020 and not 2021. Respondent's conduct was likely to deceive the facility who relied on the Physicians Statement to verify her current physical examination, which was required for the position.

7. In response to Finding of Fact Number Six (6), Respondent states during this time she was going through a stressful medical situation, her mother's death, and was out of the country. When Cross Country requested the physical, she discovered it had been deleted from her computer and became frantic and made the date change from "2020" to "2021". Respondent states she second guessed doing this and decided to send in the 2020 physical but submitted the altered physical form instead of the 2020 form. Respondent states when she returned to the country she obtained a new physical on September 10, 2021, to submit to Cross Country, but discovered her application had been refused due to the altered physical form, which is when she realized what she had inadvertently done.
8. Formal Charges were filed on April 20, 2022.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.12(6)(A),(6)(H)&(6)(I).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 869307, heretofore issued to FLORENTINE ALEXANDRINE MBAH BIKIE.
5. Pursuant to Section 301.463(d), Texas Occupations Code, this Agreed Order is a settlement agreement under Rule 408, Texas Rules of Evidence, in civil or criminal litigation.
