VI. DRUG AND ALCOHOL RELATED REQUIREMENTS

- A. While under the terms of this Order, RESPONDENT SHALL **abstain from the use of alcohol, nalbuphine, propofol and all controlled substances**, except as prescribed by a licensed practitioner for a legitimate purpose. If prescribed, RESPONDENT SHALL CAUSE the licensed practitioner to submit a written report identifying the medication, dosage and the date the medication was

prescribed. The report shall be submitted directly to the office of the Board by the prescribing practitioner, within ten (10) days of the date of the prescription. In the event that the prescriptions for controlled substances are required for periods of two (2) weeks or longer, the Board may require and RESPONDENT SHALL submit to a pain management and/or chemical dependency evaluation by a Board approved evaluator. The performing evaluator must submit a written report meeting the Board's requirements to the Board's office within thirty (30) days from the Board's request.

B. While working as a nurse under the terms of this Order, RESPONDENT SHALL submit to random periodic screens for alcohol, nalbuphine, propofol and all controlled substances. The Board will provide instructions on how to enroll in the Board's drug and alcohol testing program following the entry of this Order and screening will begin when RESPONDENT obtains employment and submits the Notification of Employment form to the Board.

Further, **a Board representative may appear** at the RESPONDENT'S place of employment at any time during the probation period and require RESPONDENT to produce a specimen for screening.

Consequences of Positive or Missed Screens.
