	§	

On this day the Texas Board of Nursing, hereinafter referred to as the Board, consider the Petition for Reinstatement, hereinafter referred to as the Petition, of Vocational Nurse License Number 193410, held by PEGGY ANN ROBINSON, hereinafter referred to as Petitioner.

Petitioner waived notice and hearing and agreed to the entry of this Reinstatement Agreed Order approved by Kristin K. Benton, DNP, RN, Executive Director, on February 20, 2025.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Petitioner and Petitioner was given an opportunity to show compliance with all requirements of the law for retention of the license(s).

2006	LVN	Mariner Rehabilitation Houston, Texas

5. On or about December 13, 2011, Petitioner's license to practice nursing in the State of Texas was Revoked through an Order of the Board. A copy of the December 13, 2011, Order is attached and incorporated herein by reference as part of this Reinstatement Agreed Order.
6. On or about February 15, 2024, Petitioner submitted a Petition for Reinstatement of License to practice nursing in the State of Texas.

 - B. Letter of support dated January 17, 2024, from Vicki Bloomquist.

According to Dr. Gayles, Petitioner has no indications of somatic, cognitive, emotional, thought, or behavioral dysfunction. There is no indication of interpersonal dysfunction. No problems with impulsivity or anxiety are apparent across tests. However, it is of note that Petitioner is representing herself in the best possible light and shows a tendency to deny problem areas or potential problem areas in her life. This tendency may result in Petitioner becoming overwhelmed and unable to cope effectively with problems when they do occur. Based on the overall results of this evaluation, Dr. Gayles opine is that there is a good probability that Petitioner will follow the rules and guidelines of the Board of Nursing and nursing standards. There is a good probability that Petitioner will conduct herself in a professional manner as a nurse. Dr. Gayles believes that the Board would be warranted to reinstate Petitioner's LVN license with the following stipulations. Petitioner should be required to complete a course in Nursing Ethics and Jurisprudence and Accountability for Nurses as well as remedial nursing courses necessary to update her nursing skills and ensure that she can function safely and effectively as a nurse. It would be reasonable that the Board require Petitioner to submit to random drugs screens for a time deemed appropriate by the Board.
9. The Executive Director considered evidence of Petitioner's past behavior in light of the factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for relicensure.
10. There is no evidence of any subsequent criminal conduct.
11. The Executive Director considered evidence of Petitioner's past criminal conduct in light of the considerations and criteria provided in 22 TEX. ADMIN. CODE §§213.28 & 213.33, and, as applicable, Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

12. The Executive Director considered evidence of Petitioner's substance use disorder, and subsequent rehabilitation as provided in 22 TEX. ADMIN. CODE §213.29 and in accordance with 22 TEX. ADMIN. CODE §213.33.
13. Relicensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
14. The Executive Director's review of Petitioner's eligibility for relicensure has been made on the basis of Petitioner's disclosures.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

3. The Board may relicense an individual upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, if the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
4. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 TEX.
