Dear Mr. Ochoa:

The Board reviewed and evaluated your eligibility file and the supporting information related to your potential ineligibility for licensure under the Nursing Practice Act and the Board's Rules and Regulations Relating to Nurse Education, Licensure and Practice.

On June 20, 2023, the Board notified you by Certified Mail, a copy of which is enclosed for your reference, that additional information would be required to continue with the eligibility review process. You submitted an email on August 15, 2023, stating that you were not going to be able to arrange an evaluation at this time. As a result, the eligibility file related to your request for licensure in the State of Texas has been closed.

If you have any questions related to the eligibility investigation, please contact the Enforcement Department at (512)305-6838.

Sincerely,

Tamika Rose
