Dear Ms. Bartolo:

On June 16, 2023, and August 1, 2023, the Board notified you by Certified Mail that you were being requested to submit to a forensic evaluation, with or without a polygraph component, because of your relevant prior criminal history, unprofessional conduct, or lack of good professional character in order to determine your present fitness to practice nursing in order to continue with the reinstatement review process. As of the date of this letter, the Board has not received a response from you regarding the evaluation. If you did not receive the evaluation correspondence, please contact me and a copy will be provided.

As a result, the reinstatement file related to your petition for relicensure in the State of Texas has been closed due to your failure to respond. If you have any questions, please contact me at (512) 305-6812.

Sincerely,

Tamika Rose
