## T. Drug Tests

While under license probation, Respondent shall submit to random substance testing (urinalysis, blood), as may be ordered by the Board or its agent. All urinalysis shall be provided in a controlled (witnessed) setting, and shall be subjected to a comprehensive screening for drug and alcohol. The test method is at the discretion of the Division, based upon the respondent's historical substance abuse pattern.

Respondent must complete the drug test no later than two (2) hours after being instructed to do so. Failure to respond as instructed is a violation of this Consent Agreement. If Respondent is not able to provide the relevant samples within the two (2) hours, Respondent will immediately notify the Probation Monitor, and has the burden of showing why compliance was not possible. If Respondent is unable to provide a urine specimen, a blood specimen must be provided.

Respondent shall also submit to a drug test within 24 hours of Respondent's return to the community of residence after any absence in excess of seven (7) days. Respondent shall arrange for the results of each test to be provided directly to the Probation Monitor.

All costs are the responsibility of the Respondent.

**U. Personal Health Care Provider**

While under license probation, Respondent shall be under the care of a health care provider licensed in Alaska, identified to, and approved by the Board or its Executive Administrator. The health care provider shall be provided with a copy of this Consent Agreement. Within 10 calendar days, Respondent shall advise the Probation Monitor in writing of any change of Respondent's health care providers. Respondent may not receive medical care from her spouse, significant other, family members and relatives, or associates.

Respondent will also obtain a primary pharmacist, who must be licensed and practicing in the State of Alaska, and subject to prior approval by the Board or its Executive Administrator.

Respondent shall have all prescriptions filled by her primary pharmacist with the exception of emergencies, which will promptly be reported to the Probation Monitor.

All costs are the responsibility of the Respondent.

1                   **V.     Restriction on Remote Employment**

2                   While under license probation, Respondent shall work only in communities that have  
3                   adequate facilities for Respondent to comply with the drug testing and other requirements, as set  
4                   forth in this Consent Agreement.

5                   Respondent shall give the Probation Monitor prior written notice of each change of  
6                   employment or residence within 10 calendar days of occurrence.

7                   **W.     Limitation of Access to Controlled Drugs**

8                   Respondent shall not practice in any location where she has access to any Schedule I, II,  
9                   III, IV or V controlled drugs. If Schedule I, II, III, IV, or V drugs are kept or administered at such  
10                  a location, that location must have procedures and controls which reasonably ensure that  
11                  Respondent will not handle or have access to such drugs. The adequacy of such procedures and  
12                  controls shall be subject to the prior approval of the Board or its Executive Administrator.

13                  After the first year of probation, upon approval of the Board or its Executive  
14                  Administrator, this access restriction may be modified.

15                  **X.     Employer Reports**

16                  Within 10 calendar days of the effective date of this Consent Agreement, and for the  
17                  duration of probation, Respondent must provide her employer with a copy of the Consent  
18                  Agreement and understands that the Probation Monitor will be free to discuss with Respondent's  
19                  employer the subject matter of this Consent Agreement.

20                  Respondent's supervisor shall report quarterly to the Probation Monitor as to Respondent's  
21                  employment performance and attendance (as specified in Paragraph 'O' above). The report shall  
22                  include a statement of whether Respondent is suspected of violating any condition of this license  
23                  probation.

24                  **Y.     Employment Must Be Supervised**

25                  While under license probation, Respondent may not be employed in her licensed  
26                  profession unless supervised by a physician, physician's assistant, advanced nurse practitioner, or  
27                  registered nurse licensed in Alaska. The supervisor shall be provided a copy of the Consent  
28                  Agreement within 10 calendar days of the effective date of this Consent Agreement. This does  
29                  not require that Respondent be under constant, direct observation by her supervisor.
