BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of Vocational Nurse License Number 188770 § AGREED
issued to LUZ ANN MEDRANO § ORDER

On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of LUZ ANN MEDRANO, Vocational Nurse License Number 188770, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on May 16, 2007, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Frank Phillips College, Borger, Texas, on May 15, 2002. Respondent was licensed to practice vocational nursing in the State of Texas on May 1, 2003.
5. Respondent's vocational nursing employment history includes:

|---------------|-----|--------------------|
| 05/03 - 07/03 | LVN | JPS Health Network |
| | | Fort Worth, Texas |

Respondent's vocational nursing employment history (continued):

07/03 - 03/06 LVN Nursefinders
Fort Worth, Texas

04/06 - Present Unknown

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Nursefinders, Fort Worth, Texas, and had been in this position for approximately two (2) years and seven (7) months.
7. On or about March 8, 2006, while employed as a Licensed Vocational Nurse with Nursefinders, Fort Worth, Texas, and assigned at Huguley Memorial Medical Center, Fort Worth, Texas, Respondent engaged in the intemperate use of Cocaine, in that Respondent produced a specimen for a post-accident drug screen which resulted positive for Cocaine. Possession of Cocaine is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act). The use of Cocaine by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
8. In response to Finding of Fact Number Seven (7), Respondent states: On March 8, 2006, while working at Huguley Hospital for Nursefinders, she fell. She went to the ER (where she was drug screened), and her drug test results were positive for Cocaine. Her brother provided the Cocaine on March 6, 2006 and she was aware that she was taking the Cocaine. At that time, she was using Cocaine occasionally. She did not use the Cocaine at work; has not used it since; and does not use it now. Respondent further states: She does not have a problem with Cocaine and has stayed away from drugs. She made a mistake and has regretted it. Not only because she got caught, but because she stooped to that level and jeopardized her licensure for "a quick and stupid high".
9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
10. Formal Charges were filed on April 26, 2007.
11. Formal Charges were mailed to Respondent on April 30, 2007.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(1)(E),(5),(10)(A)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 188770, heretofore issued to LUZ ANN MEDRANO, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
